Dwaine:

With reference to the DDI's and ADDI's briefing of Sy Weiss' task force on Soviet political analysis, Fred Demech has asked for a representative sampling of the memos or other Agency publications on this topic. Demech says that PFIAB has all of the NIEs and SNIEs and could digest up to five year's worth of the Directorate of Intelligence's analytical documents on the Soviet political process.*

* Suggest PFIAB will settle for somewhat less.
